President's Winter Message 2018

Happy 2018 to everyone!!

I hope you all have enjoyed a wonderful holiday and are eager to continue having fun with our club and all the activities we have planned for the rest of the year!

We are excited about our next few fundraisers, the Mystery Luncheon and the Bus Tour to Amelia Island!! The Mystery Luncheon, Pasta, Pistols and Passion, Sunday March 11th at 1:00 at the Apollo Bistro, promises to be a fun event. Come and bring your family and friends while your table can decide "Who did it??" Pay attention to the actors and take a guess while you enjoy a delicious family style Italian lunch, silent auction and lots of laughs! The bus tour also promises to be so much fun, to Amelia Island, Jacksonville, St. Augustine on April 23rd-26th. To date we have 41 people attending. Fun, fun, fun; don't miss out on it!

Jeanette Dolye and her committee are all set and ready to go with our scholarship process. Please tell your neighbors, family and friends who have graduating seniors living in our zip code (33572) to go to our website to obtain an application and

to apply. We have money we want to give out to well deserving students. This is why we do all of the fundraisers, and little extra donations here and there. We want to help the young, our next generation. Jeanette and her committee will be reviewing and interviewing students during the next few months.

We also just honored our longevity ladies during the month of January. Congratulations to Tanya Alderman, Sharron Brunk, Barbara Lamneck, Marie Notarfrancesco, Sharon Vasquez, Marcia Ward and Kay Westerman for **10 years** of service to the club. Sylvia Gordon and Betty Michelfelder for **15 years** of service and Emma Dolye and Diane Waronka for **20 years** of service!!

I thank you all for your time and commitment to our club! And I hope to see you at the next fundraiser and our next luncheon on Valentine's Day, February 14th at the Bistro!

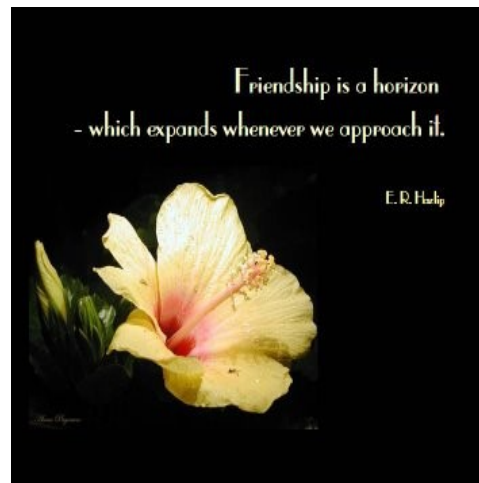

Katherine

Book Club

Meets the 4th Thursday of the Month at 10:00 a.m.

The Book Club continues to provide interesting, thought provoking discussions during their monthly meetings. In Dec, we had a joyous social with a salad lunch and book/gift exchange. In January we added \$120 to the scholarship fund with a book sale at the January membership meeting. Thank you all for supporting these activities.

Looking forward to February we will be reading a nonfiction autobiographical book, When Breathe Becomes Air by Paul Kalanithi. It is a memoir about his life and illness, battling stage IV metastatic lung cancer. Katherine Cintron is the hostess.

March brings us back to old Florida with the selection of The Yearling by Marjorie Rawlings. The discussion is on March 22 at the home of Jeanette Doyle.

The book club meets monthly on the fourth Thursday of the month at the home of one of its members. Everyone is welcome.

Bridge Club

Bridge Brunch Planned for :

Our regularly scheduled bridge in February will include a brunch party at the Apollo Beach Golf Club Café. We will meet earlier at 9am on Monday, February 26, have our breakfast brunch, and then play bridge as usual. We have been scheduling this party event for several years now as our way of giving back to the Café, thanking them for letting us use their venue for our monthly games.

The charge for this meeting is \$15, which will include brunch, tip and our regular \$3 fee for prize money and scholarship contribution. As usual members will be contacted for their reservation so that we may have the appropriate number of players per table. Members may

invite bridge playing guests to join us.

In March we will have our usual game Monday, March 26, at the usual Apollo Beach Golf Club Café, at 9:30 am.

New persons may contact Sharron Brunk, at 813-672-3553, or sharbrunk@aol.com.

GARDEN and CRAFT CLUB

In November our club spent a beautiful morning at the Hillsborough County Park, Eureka Springs in Tampa. While we were there, we were given a guided tour of their greenhouse and all the beautiful gardens along the walking trails. Our guide was very knowledgeable about all the plants and made for a very interesting time.

We then went to lunch, before heading home.

On December 20th we celebrated our Christmas luncheon and plant exchange at the home of Jeanette Doyle. Our lunch was a potluck provided by the ladies attending. After lunch we then began our plant exchange. We had so much fun opening our plants and having the opportunity to steal from someone, if we liked their plant better. In the end everyone went home with a beautiful new plant .
